39TH ANNUAL VALLEY CUP

Dear Soccer Friends,

On behalf of the Sacramento Valley Women's Soccer League, we are so pleased to welcome you back to the 39th Annual Valley Cup Tournament! It has been a tough two years for many people. We hope that this weekend provide you and your team some restorative time.

We always look forward to hosting returning and new teams. This tournament, as well as other tournaments, provides a great opportunity for friends near and far to catch up. Your experience is important to us – our committee does its best to provide fair play to ensure all have a good time.

We appreciate the work of the team managers who coordinate your team's participation. This tournament is a fundraising activity for the Sacramento Valley Women's Soccer League, and it helps players better afford the chance to play outdoor soccer in our community throughout the year. A portion of the tournament fees are paid to the Cherry Island Soccer Complex to help maintain the facility as a premier outdoor soccer venue.

So, get your cleats on, embrace your competition and enjoy your weekend!

2. Swapping and/or sharing wristbands is prohibited. Teams found swapping/sharing wristbands will forfeit the game in which the infraction occurred.
3. Players may register and play on more than one team. No dual rostering between Comp and Rec division teams. Rec division players may play also register with an over age division team (O30, O40, O50, O60). Over age division (O30, O40, O50, O60) players may also register with a Rec division team. Dual rostered players will be required to wear both wristbands. Disclaimer: there are no guarantees that game conflicts can be avoided for teams with dual rostered players.
4. All games will be final and protests will not be accepted.
5. LENGTH OF GAMES: All games will consist of two 25-minute halves with a 5-minute break between halves. A minimum of three games will be used to establish standings within each division. The 5-minutes break between halves may be lessened to keep the games on time.
6. POINT SYSTEM FOR TOURNAMENT: Standings in each group will be determined as follows: 3 points for a win, 1 point for a tie, no points for a loss, and one point for a shutout. Bonus points for goals scored: one point per goal up to three in a win, one point per goal up to two in a tie, and one point per goal up to two in a loss. The maximum number of points possible per game is: 7 points for a win (including a shutout point), 3 points for a tie, and 2 points for a loss. Points awarded for a forfeit will be five (score 1-0).
7. BREAKING TIES: In the event of a tie, the following method will be used to establish standings: a) head to head record, b) the team with least goals scored against, c) the team with most goals scored for up to four per game, and d) coin flip. For Sunday's elimination games, ties will be broken at the time of play using FIFA penalty kicks.
8. The use of the slide tackle will be allowed if and only if both teams agree to its use. Otherwise, slide tackling is prohibited and will be considered dangerous play. This rule applies to all players on the field, including the goalkeeper. Sliding is acceptable as long as there is no attempt tackle the player.
9. Charging the goalkeeper will not be permitted at any time when she is within her own penalty area. This rule applies regardless of whether the goalkeeper has or does not have possession of the ball. No bodily contact with the goalkeeper may be made if it can be avoided. Violation of this rule will be considered dangerous play.

2022 VALLEY CUP RULES
