The Rules of Play for the Sacramento Valley Women's Soccer League ("League" or "SVWSL") shall be the "Laws of the Game" as published by the FIFA on <https://www.fifa.com> ("FIFA's Laws of the Game") with those modifications stated herein.

- 1) Coaching from the Sidelines - Each team may have one person coaching from the sidelines provided he or she:
  - a. stays within ten yards of the center line while coaching;
  - b. uses no mechanical devices;
  - c. uses an informative tone of voice and NOT a harangue;
  - d. accepts responsibility for the actions of spectators;
  - e. and does NOT use profanity nor engage in disruptive behavior of any kind.

The penalty for violating any of the above rules shall be ejection of the coach from the game by the Referee.

- 2) Alcoholic Beverages and Illegal Drugs - Players and coaches may NOT consume alcoholic beverages nor use illegal drugs at the field before or during any League game. Players, coaches, or spectators may NOT bring alcohol or illegal drugs onto school property at any time. Players may NOT play while under the influence of alcohol or illegal drugs. Responsibility for enforcing this rule rests with the team involved, and the whole team may be penalized unless it actively attempts to enforce it.

**Rule 1: Home Team Responsibility**

The Board of Directors will assign a home team to each scheduled League game. The home team shall:

- A. Provide a game ball.
- B. Provide the game card and see that the game card is filled out correctly.
- C. Change jerseys if the visiting team's colors are not distinctly different from the home team's jerseys.

**Rule 2: Game Day**

- A. The League will provide one net and two corner flags to each of its teams. Teams will retain this equipment for the entire season and return it to the League at the end of the seasonal year.
- B. Nets and corner flags are required for all games. Referees will officiate the game and note the absence of nets and/or corner flags on the game card.
- C. When the league is NOT playing at Cherry Island, each team must bring a set of nets and corner flags to the field. The teams playing the 9 a.m. game will set up their nets and corner flags. The teams playing the 11 a.m. game at said field, will bring their set of nets and corner flags to the field and hand nets and flags over to the departing teams. The 11 a.m. teams will take down the nets and corner flags and take them as their own until the next game. In the event of a third game scheduled at said field, the third time slot teams will **BE REQUIRED** to bring their nets and corner flags and give them to the departing second time slot teams.

**Rule 3: Player Substitution**

Players may be substituted at the following times:

- A. prior to a throw in, by the team taking the throw in;
- B. prior to a goal kick, by either team;
- C. after a goal, by either team;
- D. after an injury, by either team, once the Referee stops play.

When a player is cautioned, only that player may be substituted. At half time, unlimited substitutions are allowed. In all cases, a substitute may enter the field of play only with permission of the Referee.

**Rule 4: Glasses and Jewelry**

Players may wear prescription glasses on the playing field. Players may not wear non-prescription glasses, earrings, necklaces, watches or bracelets. Players will be required to sign a jewelry waiver as a requirement of registration.

**Rule 5: Dangerous Equipment**

Casts and/or metal splints shall always be considered dangerous equipment. Knee braces made of hard, unyielding material are illegal, unless the hinges and other hard surfaces are covered with at least ¼ inch of closed-cell, slow-recovery rubber, or other material of the same minimum thickness and having similar physical properties. Any player who uses a knee brace and fails to cover such equipment according to the above specifications prior to taking part in a League game will be cautioned by the Referee. The Referee will note the player's name and specify the nature of the violation on the game card. The Procedures and Discipline (PAD) Committee will review the cautioned player's and her team's actions following the procedures described in rule.

**Rule 6: Uniforms**

All teams must wear uniforms when playing in League games. The uniform must consist of a numbered, full-length jersey, shorts and matching knee-length socks; uniform colors must be the same for all team members, except the Goalkeeper. The jersey number should be distinctly visible to the Referee and on the back of the shirt. (In inclement weather, sweatshirts or long-sleeved shirts may be worn under the jersey and should be of a neutral color that will not create confusion; sweat pants may be worn over the shorts, but must be the color of the shorts.)

**Rule 7: Team Roster**

Fifteen minutes before the start of each League game, both participating teams must provide the Referee with a roster of players who will take part in that day's game. The team may register the maximum number of players authorized by our State Association, US Club Soccer, currently that number is 26 or as specified in Rule 36 for 8v8 Small-Sided Games. Only 18 players may appear on the game roster at check in or as specified in Rule 36 for 8v8 Small-Sided Games.

**Rule 8: Charging the Goalkeeper**

- A. Charging the goalkeeper shall not be permitted at any time when she is within her own penalty area, regardless of whether she has possession of the ball. Violation of this rule is a dangerous play.
- B. The ball may not be played by another player while it is in the goalkeeper's possession. One finger on the ball is possession. Violation of this rule is a dangerous play.

**Rule 9: Sliding Tackles**

Slide tackles are only permitted in the open division and in that division's highest level. Both teams must agree allow slide tackling at the coin toss. In the lower open divisions and the over 30 division, no player, including the goalkeeper, may use a sliding tackle. Violation of this rule is a dangerous play.

**Rule 10: Player Playing Time**

All players on the team must be played for 45 minutes of each game, unless:

- A. They are absent from the game,
- B. They are subject to health problems or disciplinary action.

Reduced playing time for these reasons must be noted on the game card.

**Rule 11: Game Length**

- A. Unless both teams agree to play without a midpoint stoppage, games will consist of two 45-minute halves, or as specified in Rule 36 for 8v8 Small-Sided Games, with a stoppage at approximately 22-1/2 minutes into each half for the purpose of unlimited substitutions. Stoppages at the midpoint of each half (if any) will be 1 minute long, and the game will resume as with any normal stoppage of the game.
- B. If, at the coin toss, each team's captain agrees to play without the above rule in force, the referee will conduct the game accordingly.
- C. If (1) either or both teams fail to get nets and corner flags in place five minutes before game time, or (2) either or both teams fail to present at least seven players when called for inspection by the Referee, the Referee may reduce the length of the game accordingly. The Referee will apply half of any reduced time to each half. Before beginning the game, the Referee will inform both teams' captains of the amount of time each half will be reduced. The Referee should note, on the game card, which team or teams have failed to get equipment in place or present their players

for inspection by the appropriate time. If one team feels it has been unfairly penalized by the reduced playing time, it may follow the procedures in Rules 12, 13, 14 and 21.

**Rule 12: Referee Decisions**

- A. Referee judgement calls may NOT be discussed with the Referee nor protested.
- B. If a participant in the game believes that a League rule is not being applied or applied incorrectly, or questions how one of FIFA’s Laws of the Game is being applied, that rule may be discussed with the Referee during half time or after the game, if the discussion is conducted in a courteous manner and the Referee is willing to participate in the discussion. Protests concerning Referee decisions will be accepted by the PAD Committee pursuant to Rule 21 only if they are related to:
  - 1. Demonstrated lack of knowledge about the rules of play, as used by SVWSL, and a demonstrated unwillingness to learn and/or enforce these rules.
  - 2. Refusal to referee in a professional manner.
  - 3. Refusal to follow League Bylaws and/or these Rules and Procedures.
- C. Referee evaluation cards are provided to all team representatives and should be used for each game to provide SVWSL with feedback (positive and negative).

**Rule 13: Forfeiture of Games**

- A. Forfeiture of Game occurs if a team does any of the following:

  - 8. When any team member, coach, or spectator of a team refuses to remove a dog upon request from any field site where no dogs are allowed is posted.
- B. Except as otherwise specified in Rule 13, if any of the items listed above occur, the team who has caused the forfeit will be responsible for paying the following: a \$100 forfeit fine which must be paid prior to the forfeiting team's next scheduled game, the referee fees for the forfeiting team, and the referee fees for the non-forfeiting team.
- C. All forfeits will result in a 1-0 win for the non-forfeiting team.

**Rule 14: No-Shows, Cancellations and Forfeits**

- A. If a team cannot field a team for a scheduled game, the team MUST provide cancellation notice to their opponent and to the League Referee Coordinator and League President no later than the Sunday before the scheduled game. Failure to give timely cancellation notice will be considered a “forfeit” as described in Rule 13, and the forfeiting team will incur the fines described in Rule 13(b).
- B. If a team shows up at the field with less than 7 players but at least 6 players, the game will be considered as a forfeit for purposes of the game score, and both teams are obligated to play a friendly scrimmage for at least three quarters of scheduled game time. If the teams scrimmage, the teams are encouraged to share players and the forfeiting team will not incur the \$100 forfeit fine and the forfeiting team will not be required to pay the referee fees for the non-forfeiting team. If the forfeiting team refuses to scrimmage or has less than 6 players, then the forfeiting team will incur the fines described in Rule 13(b). All players playing the scrimmage must be rostered members of the scheduled teams and all will be required to provide their player pass to the referees. - B. Referee Assignment: A single referee will be assigned to each 8v8 game.

- C. Game Length: For 8v8 league games, normal game length is 70 minutes with two 35-minute halves and a 5-minute halftime, unless stated otherwise. Time is not stopped if the ball is out of play and there are no time-outs. Teams may choose to play four 17-minute quarters, with a 1-minute water break between quarter 1 and quarter 2 and another between quarter 3 and quarter 4.
- D. Forfeiture of Games: A game cannot start unless both teams have a minimum of 5 players each, including a keeper. If a team fails to start the game with a minimum of 5 players within 15 minutes after the scheduled time for the game they will be forced to forfeit the game. If a game is started late, the referee may shorten game length and/or halftime as necessary. Except as noted here, Rule 13: Forfeiture of Games also applies.

If this happens, the referee will award the opposing team an indirect free kick at the place where the ball landed on the other side of the mid-line. This rule applies to the goal keeper's drop-kicks, punts and throws. The goalkeeper may completely release the ball from their hands to the ground and then play it as any field player and may be challenged by their opponent.
- G. Mercy Rule: If one team is up by 5 goals, that team must remove 1 player from the field of play. If the score differential returns to two goals, then the player may return to the field of play.
- H. Team Roster: Rosters may carry up to 16 players, however the maximum game day roster is limited to 14.
